

MIAMI BEACH

134-2015

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy Morales, City Manager

DATE: April 2, 2015

SUBJECT: **FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT), FM 249911 ALTON ROAD - FULL ROADWAY RECONSTRUCTION INCLUDING DRAINAGE, EARTHWORK, ASPHALT, CONCRETE, UTILITIES, INCLUDING THE INSTALLATION OF THE 5TH STREET PUMP STATION AND RELATED FEATURES.**

The purpose of this Letter to Commission is to provide a Florida Department of Transportation (FDOT) construction project notification of an upcoming lane closure on Alton Road, scheduled to be implemented this coming Monday, April 6.

Alton road will be closed between 5th and 6th Street, while the contractor rebuilds a section of the roadway, including the installation of a new pump station. Two detours will be available for South Bound traffic. Those wanting to leave the beach will be directed to West Avenue at 8th Street. It is critical that free flow right turn on West Avenue and 5th Street is maintained.

A second detour will be offered for motorists who wish to continue South on Alton Road. Those motorists will be detoured at 8th Street to use Lenox Avenue. This work is currently scheduled for two months.

For more information, please contact Project Engineer, Enrique Tamayo P.E., at (305) 534-5330, or Public Information Officer Heather Leslie at (305) 905-5876, heather@hmlpublicoutreach.com.
